

Weekly Report

Yuxin Ma

06.03.2013 - 06.09.2013

Intro

This week I mainly focused on the Visualization Framework.

Reading

None.

Practices & Skills

- **Visualization Framework** The two documents for user analysis and design are attached in the archive, while the Overall Design Document has not been finished.

Research

None.

Miscellaneous Work

None.

Plan for Next Week

- Finish the Overall Design Document;
- write a User Scenario Document for the Visualization Framework;
- Design an application plan based on the Framework;
- continue two research projects.

References

None.
